

2025-26

Pupil Leadership Groups

Why do we have pupil leadership groups?

(Discuss UNCRC Articles 12 and 13)

Pupil Council

- Pupil Council will help Ms Mackintosh by:
 - Sharing ideas and questions from the rest of your class.
 - Helping to improve our school (we will work on our front entrance this year).
 - Helping to gather evidence to show the different things we are improving in our school.

JRSOs Junior Road Safety

JRSOs will help everyone to keep safe on the roads! They will also help our parents and local community with important road safety campaigns.

Equalities- Children's Rights

In the Equalities group, we will be working together to achieve the Rights Respecting Schools Bronze award. This will include learning and thinking about our rights and how we can help spread knowledge and awareness of our rights throughout the school, we can think together of some creative ways to share this across the school as well as thinking creatively about how to link the rights to what we do in school.

Eco Schools

Our Eco leadership group will be working in our local area and school grounds to build on the work that has helped achieve our green flag and ensuring we maintain this.

This will involve working on projects and research that will improve our playground and everyone's understanding of a healthy planet.

We will also work on developing the curriculum and make links from our topics to the Global Goals.

Digital Dynamos

This leadership group will focus on:

- *Engaging our community through digital media. **For example;** making videos or digital art for the school.*
- *Promote digital safety. **For example;** sharing information on digital safety week with classes.*
- *Support people in the school and community with their digital skills. **For example;** helping a classmate use teams.*

Reading Schools

Together, we will be promoting books and reading around our school.

This will include tasks like:

- finding out about what, where and when teachers and pupils like to read
- helping to organise BookFest
- finding ways to improve class libraries
- encouraging children around the school to read more and different types of books

We will also be working towards achieving our **Reading Schools Award**.

“The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you’ll go.”
-Dr. Seuss
