

STANDARDS AND QUALITY REPORT 2024-25

PRIORITY 1 – LEARNING, TEACHING AND ASSESSMENT

PRIORITY 2 – LITERACY AND ENGLISH

ACHIEVEMENTS AND PROGRESS

We have updated our whole school learning, teaching and assessment policy

We have further embedded Philosophy across the school and this has improved pupil skills in listening and talking

Staff have improved their digital skills and we have our Digital Dynamos pupil group

We achieved our Eco School Green Flag

We have used new pupil tracking tools in literacy and numeracy from nursery to P7

Nursery and P1 staff are working together more regularly to share practice

We have developed our whole school handwriting policy

We had successful Book Fest and Diversity focus weeks

We have developed a yearly planning format to ensure pupils receive breadth across the full curriculum

NEXT STEPS.....

- We will continue to develop our learning, teaching and assessment policy and practice with a focus on pace and challenge
- We will further embed Philosophy across the curriculum
- We will develop pupil leadership groups for all children in P2-7
- We will develop pupil leadership of learning
- We will work in school and with schools in the Broughton Learning Community to improve moderation in literacy and English
- We will develop skills across the curriculum
- We will develop our sustainability curriculum
- We will develop outdoor learning, particularly making use of spaces in our local community

STANDARDS AND QUALITY REPORT 2024-25

PRIORITY 3 – PARENTAL ENGAGEMENT

ACHIEVEMENTS AND PROGRESS

The 'Raising kids with confidence' parental course was successful and received positive feedback from participants

PSO monthly drop in sessions were offered through the year to provide family support and advice

The 'Internet Safety' parental session was well attended and received positive feedback

We used parental feedback to help us in designing our new school website

Our weekly whole school newsletters are viewed by most parents and receive positive feedback

NEXT STEPS.....

- We will use parental feedback to design our approach to parental engagement
- We will develop strategies to gather views from as many parents as possible
- We will offer workshops in areas in key aspects of our work such as internet safety and philosophy
- We will repeat the 'Creating Kids with Confidence' parenting course
- We will offer a 'PEEP' parent group in nursery
- We will continue with monthly drop in sessions for parents to speak to our Pupil Support Officer and Head Teacher
- We will develop resources to help parents support their child's learning at home, with a focus on sharing the approaches we use in school
- There will be 3 Class rep meetings per year with the Head Teacher to update on school improvement work
- We will develop and launch our new school website
